FOR IMMEDIATE RELEASE

### NIGHT TIME LANE CLOSURES ON INTERSTATE 5 SCHEDULED FOR NEXT WEEK

The Department of Transportation (Caltrans) announces a scheduled night time lane closures at two separate locations on southbound Interstate 5, in Fresno and Kings Counties to allow Construction crews to begin working on a project to install metal beam guard rail and changeable message signs within the project area.

**The following night time lane closures are scheduled to take place next week, (weather permitting):**

**Southbound Interstate 5, #2 lane (right lane) at two separate locations. One just north of the Interstate 5/State Route 33/State Route 145 interchange near Coalinga and one at the Milham Avenue Overcrossing near Kettleman City. Both locations will be closed on Monday night, July 23<sup>rd</sup> through Friday morning, June 27<sup>th</sup>, 2012 between the hours of 6:00 p.m. and 6:00 a.m. each night.**

**This closure may continue for a longer period of time each night if necessary, due to delays caused by weather or uncontrollable events that may occur during construction.**

Caltrans Construction workers remind you to drive with extra care and allow additional travel time while travelling within the project area. Please be alert for Construction Personnel and **“Slow for the Cone Zone.”**
